PROFESSIONAL EXPERIENCE

ADMINISTRATIVE

2011-2013 University Legislative Bill Tracker. Office of Government & Community Relations. University of New Mexico. Albuquerque, NM
Review and analyzed all proposed New Mexico state legislation to identify any potential impact to higher education institutions, UNM and the UNM Health Sciences Center during the legislative session including: ensuring timely notification to the university administration and community of relevant legislative initiatives; development and maintenance of a real-time bill tracking system; and attending and reporting on critical legislation at executive legislative briefings.

2010 Education Pool Analyst. New Mexico State Senate. Santa Fe, NM.
Reviewed and analyzed all education bills during the 2010 New Mexico Legislative Session, including: tracking and conducting research on proposed legislation; investigating the implementation and consequences of proposed legislation; and providing analysis and debate questions for senators.

2009-2012 Senior Program Manager. El Centro de la Raza. University of New Mexico. Albuquerque, NM.
Oversaw the implementation and day-to-day operations of El Centro de la Raza programs and services including: supervision of professional staff; providing ongoing training to program managers and academic

advisors; ensuring quality assurance of program, adherence department strategic goals and progress towards program aims; ensuring progress towards program data collection and program assessment goals, including building databases for program forms; overseeing budget planning and fiscal management; facilitating hiring and resolved staff issues; supporting programming staff and students with necessary fiscal resources and professional networks; assisting with grant research and writing; and attending and presenting program designs and outcomes at local and national meetings.

2006-2009 Student Program Specialist. El Centro de la Raza. University of New Mexico. Albuquerque, NM.
Designed, implemented, managed, and assessed Latina/o Student Leadership Internship, a service-based internship program; applied student leadership development theories to departmental goals; provided holistic academic, personal and cultural support for Raza students; trained and nurtured student leaders for personal and academic success; served on critical UNM and community committees and policy boards; planned, developed and oversaw community outreach activities for underrepresented student populations; designed and implemented student programming including mentor/tutor services, workshops, scholarships, awards; and served as a liaison with other campus and community-based programs to benefit students.

2004-2006 Senior Program Advisor. El Centro de la Raza. University of New Mexico. Albuquerque, NM.
Provided bilingual and bicultural holistic academic, personal, and cultural support for Raza students; planned, developed and oversaw community outreach activities for underrepresented student populations; designed and implemented retention programs including mentor / tutor services, personal counseling and study skills workshops; and provided access to leadership and service learning opportunities for students.

2003-2004 Graduate Assistant. Hispanic Serving Institution (HSI) National Program. United States Department Agriculture. University of New Mexico. Albuquerque, NM.

RESEARCH

2013 Policy Analyst & Researcher Faculty. Division of Equity and Inclusion. University of New Mexico. Albuquerque, NM.

2012-2013 Policy Analyst & Researcher Faculty. Center for Education Policy Research. University of New Mexico. Albuquerque, NM.
Conduct policy research on P-20 education outcomes, including: developing data collection, analysis, and reporting procedures to study

education pathways, student success, and workforce development; conducting interviews; administering surveys; adhered to study protocols; quantitative and qualitative analysis; evaluating and measuring progress, implementation, and outcomes for grant-funded projects; providing research consultation to non-profits and departments for education studies; providing data to policy-makers and program administrators, informing data-driven; and overseeing graduate student research.
